PUBLIC HEARING: CLARK COUNTY EQUAL EMPLOYMENT OPPORTUNITY PLAN

To receive public comment and consider approval of the revised Clark County Equal Employment Opportunity Plan (EEOP). On April 25, 2006, following public testimony, the Board of County Commissioners delayed the approval of the recommended EEOP in order to allow for further public input. A public comment period was held from April 25, 2006 to July 19, 2006 and, in order to receive additional written and oral comments, a public meeting was held on July 12, 2006. This revised plan follows the guidelines provided by the Department of Justice and incorporates most of the suggestions received.
